

COMMUNITY OF PRACTICE: ALPHA FIM

HAVE YOU RECENTLY BECOME AN ALPHA FIM ASSESSOR?

ARE YOU INVOLVED IN IMPLEMENTING THE ALPHA FIM IN YOUR AREA?

IF SO, COME JOIN

WHAT IS IT?

This online community of practice (CoP) aims to connect clinicians and managers from across Alberta to share ideas, problem solve around challenges and connect with others who are also implementing Alpha FIM.

WHO SHOULD JOIN?

- Clinicians from Alberta who are trained to administer the Alpha FIM
- Anyone involved in implementing Alpha FIM in Alberta

WHY SHOULD I JOIN?

Join in to find resources, ask questions, have discussions, and meet your colleagues. Alpha FIM trainers from CIHI will be checking in to answer questions and there will be a facilitator available each week to stimulate discussion and provide assistance.

HOW DO I JOIN?

1. Obtain a password by emailing Diane Macpherson at dmacpherson@hsf.ab.ca please indicate in your email that you require a password/username for the CoP
2. Go to the Alberta Provincial Stroke Strategy website www.strokestrategy.ab.ca
3. Click on Health Care Provider Education, then choose Communities of Practice
4. Choose the Log-in option and enter your password
5. Click on APSS – Community of Practice

WHEN DOES IT START?

Please email Diane before **December 3, 2009** to be added to the CoP. The Community of Practice will open on December 7, 2009.
